

Description (ex.ITS Korea)	ITS Korea is the only government appointed organization to develop and advance ITS industry in Korea. As the bridge for private and public sectors and academia, ITS Korea is open to digest the industrial option, to propose the policy to promote ITS business, propose R&D and many other activities to boost up the industry.
Business area (ex.ITS Korea)	<p>1st category</p> <ul style="list-style-type: none"> ■ Traffic Management <ul style="list-style-type: none"> · Traffic Signal/Control · Incident Management · Traffic Information · Safe-driving Support · Traffic Enforcement · Parking Management <input type="checkbox"/> Public Transportation <ul style="list-style-type: none"> · Bus Information/ Management System · Public Transportation Information/Management · Multi Modal Information/Management · Bus Rapid Transit System/Solution · Pedestrian/Disabled Support System ■ Electronic Payment <ul style="list-style-type: none"> · Electronic Toll Collection · Electronic Parking Payment · Electronic Fare Payment <input type="checkbox"/> Traffic Information Integration/Management <ul style="list-style-type: none"> · Traffic Information Integration · Traffic Information Center Traffic Data Management <input type="checkbox"/> Traveler Information <ul style="list-style-type: none"> · Pre/On-Trip Traveler Information Service · Telematics Service ■ Advanced Vehicle/Highway <ul style="list-style-type: none"> · Safe-driving Vehicle & Highway · Autonomous Driving · Drive Assistant System <input type="checkbox"/> Commercial Vehicle Operation <ul style="list-style-type: none"> · Fleet Management System · Hazardous Freight Management · Logistics <input type="checkbox"/> Others () <p>2nd category</p> <p><input type="checkbox"/> Hardware <input type="checkbox"/> Software <input type="checkbox"/> SI <input checked="" type="checkbox"/> Consulting <input type="checkbox"/> Others ()</p>
Ongoing ITS project or R&D (ex.ITS Korea, LG CNS)	<ul style="list-style-type: none"> · Smart highway(Smart tolling) R&D · Project management of Seongnam-city' ITS constructing · Project management of Daegu metropolitan city' ATMS constructing · Colombia, Bogota SIRCI (The Integrated System of Fare Collection, Fleet Control and User Information & Service) · Seoul, Bus Information System · Urban Traffic Information System based on metropolitan traffic data for Hanam city · Gwanggyo, NewTown u-Transportation system
Etc (Patent) (ex.DBCS, Gitsn)	<ul style="list-style-type: none"> - Certification <ul style="list-style-type: none"> · ISO9011, ISO/IEC 20000 · Qualification as the Outstanding Company for Service Quality (Ministry of Knowledge Economy) - Prize <ul style="list-style-type: none"> · received the Highest Standing Award at the 2008 IT Inovation Awards (Prime Minister's Awards) - Patent <ul style="list-style-type: none"> · Intelligence based smart shopping method using RFID · Data storage method according to the size of ASN.1 file · System and data linkage device which interlocks data using ASN.1, Outgoing data encoding method through heterogeneous system using ASN.1 & data linkage method with heterogeneous system · Integrated processing terminal for traffic data using ASN.1, Intergrated processing method for traffic data using ASN.1 & Controlling method of intergrated processing terminal for traffic data using ASN.1 · Intelligent energy saving type BIT(Bus Information Terminal)

ITS
Product & Technologies
(ex. Hinsense)

Product Offerings

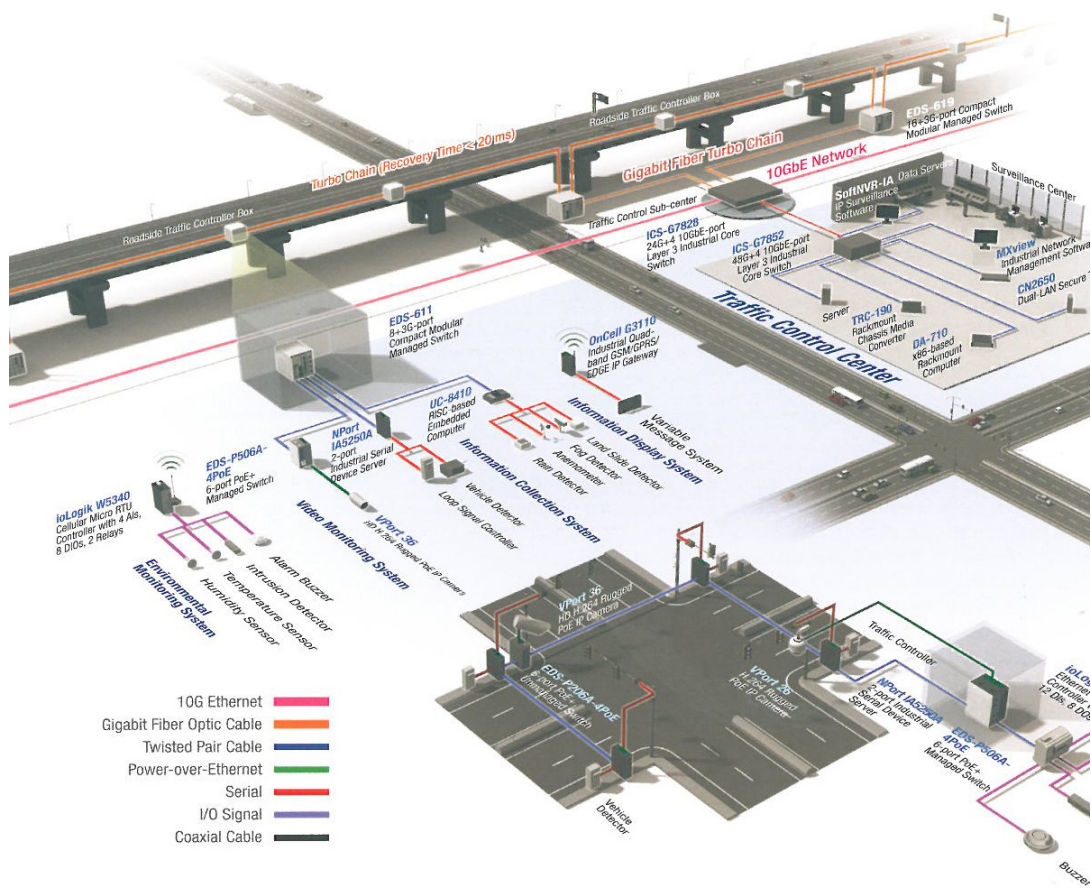

- 2.1million pixels 16:9 CMOS image sensor
- H.264 HP&MJPEG encoding
- 1080p30/p25 HD video format
- Built-in intelligent motion detection(IMD) technology
- Fixed dome that can manually adjust installed angle

- Network Interface : 10/100Mbps Ethernet 745
- USB interface : One USB port
- Power supply : AC 220V±20% 50Hz
- Dimensions : 13mm*259mm*230mm(H*W*D)
- Operating temperature : -40°C ~+75°C
- Operating Humidity : 0~95%(non-condnsing)
- Storage temperature : -40°C ~ +85°C

Technologies

- 10G Ethernet
- Gigabit Fiber Optic Cable
- Twisted Pair Cable
- Power-over-Ethernet
- Serial
- I/O Signal
- Coaxial Cable

General information (ex.ITS Korea)	Company name	ITS Korea	Website	www.itskorea.kr
	Address	#604, Daerung Technotown 15, Gwanyang-2dong, Dongan-gu, Anyang-si, Gyeonggi-do, Korea, 431-062
